Name _____

Double, Double, Add the Doubles!

Double, double, it's the doubles! Let's go, let's go! Doubles, doubles it starts with zero!

$0+0=0$, OH!

$4+4=8$, That's great!

$8+8=16$, You're a queen!

$1+1=2$, Ooooh!

$5+5=10$, Again!

$9+9=18$, Jelly bean!

$2+2=4$, More!

$6+6=12$, That's swell!

$10+10=20$, That's plenty!

$3+3=6$, Kicks!

$7+7=14$, Let's lean!

Doubles, Doubles...do it again!

Use the doubles rap to help you solve the problems.

1. $3+3=$ _____

6. $0+0=$ _____
