_____ + 10 = _____ _____ - 10 = _____

_____ + 20 = _____ _____ - 20 = _____

Hi.

I hope you get use out of my Number of the Day printables. I created them to maintain a consistent format and to grow with students' skill levels as the year progresses.

I love to use these handouts as part of morning work 2-3 times a week.

They are great for review.

If you have any questions about these activities you can contact me at:

schoolisahappyplace@gmail.com

The cover clip art is from Scrappin Doodles and the cover font is from Cara Carroll.

Thanks,
A. Monroe
