Directions For Riddle Match!

First and second graders love riddles! This is a fun activity to use at a literacy center during a unit on ocean animals.

- Have the children Read a Riddle.
- Match it to the correct ocean animal.
- Check their work by looking at the answer key on the card.
- Next try writing your own ocean animal riddle. Write the riddle on top of the foldable. Write your answer under the flap and illustrate!

Thank you for letting me share with you!
