SUMMER

Activity Calendar

Activities to keep children's brains engaged over the summer.

Jodi Southard

Fun-in-first.blogspot.com

June

Monday

Find an object around your house that starts with each letter.

Read a book and draw a picture of your favorite character.

Tuesday

Count the number of people in your entire family. Is the number odd or even?

Find a deck of cards. Turn over two cards and add the numbers. Repeat through the entire deck.

Wednesday

Write all the +0 and +1 facts.

Write all the +2 and +3 facts.

Thursday

Make a list of -ake, -ade, and -ame words.

Make a list of -een, -eat, and -eek words.

Friday

Roll two dice and write the fact family. Repeat at least 5 times.

Take a walk with an adult and count your steps.

June

Monday

Write the steps to making a sandwich. Then have an adult help you make one.

Read a book and write about the problem and solution.

Tuesday

Measure 10 objects in your room with inches.

Find three things that are smaller than 6 inches.

Wednesday

Write all the +4 and +5 facts.

Write all the +6 and +7 facts.

Thursday

Make a list of -ike, -ide, and -ight words.

Make a list of -ode, -oke, and -old words.

Friday

Keep track of the temperature today, Saturday, and Sunday. Which day was the warmest?

Find three things that are larger than 6 inches.

July

Monday

Make a list of words that rhyme with red, white, and blue.

Read a nonfiction book and make a list of facts from the book.

Tuesday

Measure 10 objects in your room with centimeters.

Watch the clock during the day and record the time at least five times.

Wednesday

Write all the +8 and +9 facts.

Write all the -0 and -1 subtraction facts.

Thursday

Make a list of -ube, -unk, and -ug words.

Make a list of -ar and -or.

Friday
